Affton Southwest Precinct updates

Hello, from the personnel of the Affton Southwest Precinct! This year is moving right along as we enjoy the beautiful fall weather.

Last month, we showed you some updated photos of construction of our new Precinct, which will be ready early January. Construction is still going great, and we cannot wait to move into the new station.

The new Police Precinct is over 65 percent complete and is going to be over 15,000 square feet, equipped with a large community room, roll call room, kitchen area, office spaces and a 700 square foot room for a gym. Due to the larger size and new features of the Precinct, we are looking for a few types of items for donations.

We want to send a shoutout to Gapsch CARSTAR Collision Center for purchasing the Precinct a large television for our roll call room. We appreciate the support and great relationship we have with their business within the City of Green Park.

We are still looking for other new, or gently used, items such as appliances (refrigerators, microwaves, toasters, ice machine), televisions for office spaces, and gym/workout equipment. So if you, or you know of a business, that would like to support our Affton-Southwest Precinct, please contact me at the below information. We appreciate any type of support as we look forward to our upcoming move into the new station.

ACIA (Affton Community Improvement Association)

This month the ACIA meeting was held at Grant's Farm.

The meeting started with a ride on the tram to tour the grounds of Grant's Farm. Our driver Joe, and our tour guide Jim were great about telling us interesting facts of President Grant's cabin, the history of the Busch family and various details of the park.

Our ride was like a trip around a worldly zoo. There were so many animals out enjoying the beautiful day.

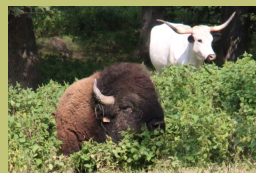

During our business meeting, our host James told us of many upcoming events for the fall and holiday season at the farm. Visit www.grantsfarm.com for more details.

Our next meeting will be Thursday, October 26 at the Affton Fire Station. Our guest speaker will be Tim Luecke, Ed.D. - St. Louis CAPS Director.

Have a **Spooktacular** October.

COMMUNITY HAPPENINGS

Affton Community Volunteers Organization

Greetings, Happy October to All.

We hope everyone is enjoying fall and all the sports and other activities offered in our community.

One activity everyone can enjoy is volunteering, which can also help each person enjoy better health, both mentally and physically.

ACVO (Affton Community Volunteer Organization) was started to help find a place, in the Affton School District, for anyone who wants to volunteer. We want your experience to be fulfilling. Finding a good match for each person who contacts us is important. We work with all school clubs and organizations. For more details contact Pam:

- www.afftonvolunteers.org, complete application

Christian Food Pantry for October

At this time of year our supplies run very low. We often times have to go out and buy shelf staple items in addition to the meat, milk, eggs we purchase every week.

Our number of clients have swelled with the start of the school year as well. These are the number of people we helped every two weeks with food last month:

- 266 families
- 340 children
- 958 individuals
- 246 seniors

As you look at the list below, the items we need do change a little from month to month. We usually try to have about 1 - 3 months supply of all of our shelf staple items (three is our goal). So we have a critical need for the items listed below.

1. Entrees, like canned chicken, spam, ham, beef stew, etc- 2 weeks
2. Meal supplements like Rice a Roni, Knorr side dishes, Hamburger Helper- 2 weeks
3. Personal Care items like soap, deodorant, shampoo, cleaning supplies- 1 week
4. Canned Fruit- 1 day
5. Mac 'n Cheese- 1 month
6. Canned and dry beans- 3 weeks
7. Chili- 3 weeks
8. Cereal- 3 weeks
9. Pasta sauce or canned tomatoes- 2 days
10. Baking goods/ mixes- 1 week
11. Detergent- 2 weeks

Thank you!

Lutheran South established a Distinguished Alumni Award to honor graduates for outstanding careers and life achievements. Its purpose is to

recognize alumni who, through success in their professions or service to their communities, have made a significant impact on the world around them. We are proud to announce this year's 2023 Distinguished Alumni Award winners.

The cross country team raised more than \$400 for The Covering House, a St. Louis-based organization that aids survivors of human trafficking. Both students and their parents logged 409 miles to support the cause.

Junior Ellie Jaffe received the 2023 Carl Schalk scholarship to attend Lutheran Summer Music (LSM) this summer. LSM is a month-long music camp where Ellie studied clarinet and organ, played in the Concert Band, and sang in the choir.

Senior Christian Pittman spent a month of his summer in Washington, D.C., as a page in the United States Senate. He worked 15-hour days and loved every minute of it.

Junior Ben Long was named a Post-Dispatch Athlete of the Week as he led the Lancers to a 48-26 win over Affton. He had 302 all-purpose yards, scored a 90 yard TD kickoff return, caught a pass for a TD and also threw for a touchdown.
