## Affton Southwest Precinct updates

**Ribbon Cutting Ceremony  
for the new precinct is  
Friday, March 15, 10am.**

Hello, from the Affton Southwest Precinct! This month I want to discuss the awareness and importance of Domestic Violence in our society, and to let victims know they have resources and options.

Since January 1, 2024, just in the Affton Southwest Precinct, our police officers have responded to over 92 Domestic Violence calls for service. A "Domestic victim" has a large classification of individuals which include: any household or family members defined as spouses, former spouses, any person related by blood or marriage, persons who are presently residing together or have resided together in the past, any person who is or has been in a continuing social relationship of a romantic or intimate nature with the victim, anyone who has a child in common regardless of whether they have been married or have resided together at any time, and includes any child who is a member of the household or family.

These types of calls typically involve a lot of emotion and sensitive information when officers get dispatched to a scene. Our police officers do a great job of attempting to de-escalate emotions on scene and quickly figuring out the details of the call before they decide if any laws were broken. The officers understand how difficult these calls can be for the reporting parties and individuals involved.

The St. Louis County Police Department Domestic Violence Unit has several good resources for victims including this website: <https://www.thehotline.org/support-others/> I also have a Domestic Violence Safety Plan document that may assist victims that do not know what to do in these types of relationships.

Please stay safe. As always, thank you for your interest in our community. Please do not hesitate to contact us if you need anything.

Thank you for your time and please remember, for emergencies, call 911. For non-emergencies, dial 636-529-8210.

Lt. Shawn McGuire, Affton-Southwest Precinct

## ACIA

(Affton Community Improvement Association)

Greetings to All,

We hope your February was a sweet month and you learned many ways to keep your heart healthy.

This month our guest speaker was Mike Carosone. He spoke about several organizations he helps in our area, like the Alzheimer's Association, the Affton Christian Food Pantry and St. Vincent DePaul. He is also a member of the Community Action Team which has members from five area school districts (Affton, Bayless, Hancock, Lindbergh and Mehlville) they discuss issues affecting students and schools, and they consider solutions to those issues. We were very enlightened about the number of people in these organizations keeping our neighborhoods strong.

The next meeting will be Thursday, March 28, 11am at the Affton Fire Station, 9282 Gravois Rd. The guest speakers will be Amy Ruzicka, Superintendent of Bayless Schools and Dr. Travis Bracht, Superintendent of Affton Schools.

We hope you enjoy the month and have a little luck of the Irish - Stay Safe

Ladouceur's accomplishment was celebrated at a boy's home game on Feb. 2.

## Superintendent Ruzicka given state award

The Missouri Association of School Administrators (MASA) has named Bayless Superintendent of Schools Amy Ruzicka as the Emerging Superintendent of the Year for the Greater St. Louis District.

Ruzicka has served the district since 2008 in a number of roles, including teacher, instructional coordinator and assistant superintendent. She became Superintendent of Schools in 2022. Ruzicka was nominated for this honor by her colleagues in the Greater St. Louis MASA District.

The award is given yearly to superintendents in their second or third year who have shown outstanding performance that reflects the best in educational leadership. The accomplishment is well earned; Ruzicka is one of approximately 200 superintendents in the state of Missouri who are in their first three years.

"We congratulate Amy for this most-deserved recognition," Bayless Board of Education President Woody Babb said. "Amy has done a tremendous job for us. She is constantly working to make Bayless the best it can be by looking for opportunities to help our students, staff and community grow. Bayless is truly blessed to have Amy as its district leader."

MASA will present the award to Superintendent Ruzicka during its annual conference on March 20, 2024.
