Did you know...

May 14, 2023

The official Mother's Day holiday began in the 1900s as a result of the efforts of Anna Jarvis, daughter of Ann Reeves Jarvis.

Following her mother's 1905 death, Anna Jarvis created the idea of having one day devoted to mothers as a way of honoring motherhood.

President Woodrow Wilson signed a measure in 1914 declaring the second Sunday in May as Mother's Day.

Memorial Day History

May 29, 2023

In May 1868, General John A. Logan, the commander-in-chief of the Union veterans' group issued a decree that May 30 should become a nationwide day of commemoration for the more than 620,000 soldiers killed in the Civil War. May 30 was chosen by General Logan because it was not the anniversary of any Civil War battle.

The term Memorial Day was used for this day of remembrance beginning in the 1880s, and by 1890 every state in the Union adopted it as an official holiday. Yet, it was not until 1968, with the passing of the Uniform Monday Holiday act that Memorial Day was changed from May 30, to a set day, the last Monday in May to commemorate all fallen Americans.

Affton Southwest Precinct updates

Hello from the personnel of the Affton Southwest Precinct, we hope everyone is excited for the nice spring weather that we have just started experiencing. Let's jump right into what's going on in our precinct:

Let's start with the great news. Walls have started being built at our new Precinct, and we have been told as of April 1, 2023, they are 25 percent complete with the project. Captain Means continues to work hard at finalizing details of the precinct with visits and meetings with the architect company leading the project. January 9, 2024 is the potential move-in date and the officers cannot wait.

School Resource Officers and Beat Officers have been working diligently providing extra patrols at our schools due to the most recent school shooting that affected our country in Nashville, TN in late March. Since that shooting, we have received 2 threats at schools via messages written in bathrooms. Due to excellent investigation skills, along with the help of the school administration, an arrest was made of a juvenile on the most recent threat. It's important we take these threats seriously when they are made to keep our kids and schools safe.

In March of 2023, our precinct was down in Part 1 crimes, which are both violent crimes and serious property crimes. Stolen vehicles continue to be an issue. One third of the stolen vehicles were either a Hyundai or Kia, so please stop by our station if you drive one of these vehicles so you can grab a free locking mechanism. Larcenies/shoplifting crimes are up slightly from last month. The most commonly stolen merchandise is alcohol, but other stolen items continue to be clothing, makeup, and personal care items.

We strongly encourage any interested residents to partner with us and attend our Neighborhood Watch Meetings. Please contact the Neighborhood Policing Office when your neighborhood or subdivision is hosting a meeting so an officer can attend and answer your questions.

Thank you so much for your support. Stay safe and contact us if you need anything!

Bayless High School names next assistant principal

Bayless High School is excited to announce Alex Johnson as an Assistant Principal and Athletic Director, effective July 1. Mr. Johnson will be assuming the roles and responsibilities currently held by Eric Lawrence, who is being promoted to BHS building principal.

Mr. Johnson has been the Activities Director for the Clinton School District in Henry County, Missouri, since 2021. Before that, he was the Dean of Students at Sarracino Middle School and Athletic Director for Socorro Consolidated Schools in New Mexico. During his time at Clinton and Socorro, Mr. Johnson led programs that promoted character education and student engagement, on top of being well-run and efficient. He has a strong track record of supporting extracurricular programs outside of sports, like choir, theatre and band.

Mr. Johnson holds a Bachelor's in physical education from Missouri State University and a Master's in Physical Education — Sports Administration from Eastern New Mexico University.

A St. Louis native, Mr. Johnson is excited to return to his hometown and bring his vision for students and staff to Bayless.

"Words can't really describe how excited I am to serve the community and students of Bayless under the leadership of Eric Lawrence," Mr. Johnson said. "STL is home for me, as I attended Lafayette High School in Wildwood, so this is a genuine dream come true. I, my wife Kelsey, and our three kids, Jacoby, Amador, and Gwen are ALL IN and cannot wait to wear the Broncho Green and Gold with pride. It's a GREAT day to be a Broncho!"

Mr. Johnson's hire was unanimously approved at the April Board of Education meeting. Bayless High School now has a complete administrative team for 23-24 school year: Mr. Lawrence, Dr. Alyssa Stock and Mr. Johnson.
